

Mt Hood UU Cluster of UU Congregations
(Revised Dec. 10, 2017)

We, the members of the Mt. Hood UU Cluster of Congregations, covenant with one another to do the following in our work for our church:

HOW WE TREAT EACH OTHER . . .

We will be honest and direct with each other.

We will listen to each other, celebrate diversity of viewpoint and style, seek to understand when we disagree, presume good faith and treat each other with respect.

We will stay in relationship even in disagreement.

HOW WE WORK . . .

We will notify a co-chair if we are not able to participate in an upcoming meeting.

We will be responsible for performing tasks within the agreed time frame, discussing with a co-chair if this turns out to be unlikely.

We will respond to email and phone messages.
